

ROBERT C. BURACK, M.D., M.P.H.

OFFICE ADDRESS

Wayne State University
University Health Center
4201 St. Antoine, Pod 5C
Detroit, MI 48201
(313) 577-5026

EDUCATION

1965 - 1968	BS Degree, University of Michigan, Ann Arbor, MI
1969 - 1973	MD Degree, University of Michigan School of Medicine, Ann Arbor, MI
1981 - 1983	MPH Degree, Epidemiology, University of Michigan School of Public Health, Ann Arbor, MI

TRAINING

1973 - 1974	Internship, Highland General Hospital, Oakland, CA
1975 - 1978	Medical Residency, University of Michigan, Department of Internal Medicine, Ann Arbor, MI
1978 - 1979	Fellowship, Division of General Medicine/Primary Care, Department of Internal Medicine, University of Michigan, Ann Arbor, MI

FACULTY APPOINTMENTS

1979 - 1988	Assistant Professor, Department of Internal Medicine, Wayne State University School of Medicine, Detroit, MI
1979 – 2000	Director, Primary Care Internal Medicine Program, Wayne State University School of Medicine, Detroit, MI
1983 – 1999	Faculty Associate, Institute of Gerontology, Wayne State University, Detroit, MI
1988 - 1998	Associate Professor, (Clinician-Educator) Department of Internal Medicine, Wayne State University School of Medicine, Detroit, MI
1998 - Present	Professor, (Clinician-Educator) Department of Internal Medicine, Wayne State University School of Medicine, Detroit, MI

PROFESSIONAL & ADMINISTRATIVE APPOINTMENTS

Hospital

1979 - Present **Active Staff, Harper Hospital (1979), Detroit Receiving Hospital (1979), Hutzel Hospital (1982-1996)**

Department of Internal Medicine

1986 - 1988 Board of Directors, University Internists

State and Local

1983 - 1986 Core Faculty Group, Michigan Regional Geriatric Education Center, Institute of Gerontology, University of Michigan- Wayne State University

1998 - 2000 State of Michigan Cancer Consortium-Chairperson, Healthcare and Tobacco Subcommittee.

1999 – Present **State of Michigan Cancer Consortium – Breast Cancer Risk Sub-committee**

2004 – Present **Michigan Department of Community Health – Co-chair, Primary Care Initiative (Reimbursement Reform Committee)**

Karmanos Cancer Institute

1999 – 2003 Medical Director, Prevention Centers Program

1999 – 2003 Clinical Leader, Primary Care, Cancer Control

2000 – Present **Medical Director, Breast and Cervical Cancer Control Program, Michigan Department of Community Health**

National

1992 Special Reviewer, NIH Study Section, Behavioral Medicine

PROFESSIONAL ORGANIZATION POSITIONS

Society of General Internal Medicine

1987 - 1988 President, Midwest Region

1987 - 1988 Program Co-chairman, Midwest Region

1987 - 1989 Glaser Award Committee, National

1987 - 1994 Education Committee, National

1988 - 1989 Treasurer, Midwest Region

1988 - 1989 Scientific Program Abstract Review Committee, National

1989 - 1990 Workshop Program Abstract Review Committee, National

1992 - 1993 Co-chair, Preventive Medicine, Scientific Program Abstract Committee, National

1996 - 1997	Scientific Program Abstract Committee, Preventive Medicine, National
1997 - 1998	Representative, National Coordinating Committee on Clinical Preventive Services (NCCCPS), Bethesda, Maryland

American Heart Association of Michigan

1984 - 1993	Professional Education Committee
1986 - 1988	Chairman, Health Care Site Committee
1986 - 1988	Community Program and Education Council
1988 - 1992	Chairman, Cholesterol Professional Education Committee
1990 - 1991	Board of Trustees

American College of Physicians - Michigan

1986 - 1992	Program Committee, American College of Physicians, Michigan
1987 - 1989	Coordinator, Clinical Skills Program, Annual Meeting

American Cancer Society

1993	Task Force on Computerized Reminder Systems
2001 - Present	Review Committee on Cancer Control Career Development Awards for Primary Physicians

PROFESSIONAL SOCIETIES

American College of Physicians, Fellow
Society of General Internal Medicine
American Federation for Clinical Research
American Public Health Association
Gerontological Society of America
American Geriatrics Society
Association of Program Directors of Internal Medicine
American Society of Preventive Oncology
American Teachers of Preventive Medicine

LICENSURE & BOARD CERTIFICATION

Licensure - States of California and Michigan

September 1978 - American Board of Internal Medicine

1988 - 1998 - Added Qualifications, Geriatric Medicine, American Board of Internal Medicine

HONORS & AWARDS

Phi Beta Kappa

Cum Laude - BS Degree
Cum Laude - MD Degree

Distinguished Teacher Award, Department of Internal Medicine, Wayne State University School of Medicine, 1986
Dodge Award, American Heart Association, Michigan, 1992
American Medical Women's Association, Gender Equity Award, 1997
Blue Cross Blue Shield of Michigan Foundation Excellence in Research Award for Research, 1999
Wayne State University College Teaching Award, 1999
Wayne State University, Med-Peds Residency, Faculty Teaching Award, 2001
Michigan Cancer Consortium, Spirit of Collaboration Award (ACCESS, BCCCP, and Karmanos Cancer Institute/Detroit Medical Center), 2002
Distinguished Teacher Award, School of Medicine, Wayne State University, 2004
Teaching Award, Combined Medicine-Pediatrics Residency Program, 2004
Breast Cancer Champion Award, Sisters Network, Greater Metropolitan Detroit, 2005
Heroes of Breast Cancer, Leadership Award, Karmanos Cancer Institute, 2005
Faculty of the Year – Internal Medicine; Combined Internal Medicine-Pediatrics Residency Program, 2006-07

SERVICE

Academic University and School of Medicine

1979 - 1981	Interdisciplinary Health Professions Education Committee, Wayne State University School of Medicine
1980 - 1986	Coordinator, Internal Medicine, Year I Introductory Clinical Experience, Wayne State University School of Medicine
1980 - 1999	Program Director, Primary Care Internal Medicine
1980 - 2000	Intern Selection Committee, Department of Internal Medicine
1982 - 2000	Co-director, Interviewing Skills Course
1987 – 1995	Curriculum Evaluation Committee, Wayne State University School of Medicine
1987 - 2000	Residency Operating Committee, Department of Internal Medicine
1988 - 1998	Chairperson Primary Care Information Management Committee
1989 - 1990	Search Committee for the Chairman, Department of Internal Medicine
1990 - 1993	University Council (Faculty Academic Senate)
1990 - 1993	Faculty Affairs Subcommittee, Faculty Academic Senate
1990 - 1995	Chairperson, Primary Care Clinical Operations Committee
1991 - 1992	Task Force Review Subcommittee, Department of Surgery, LCME
1991 - 1992	Search Committee for the Chairman, Department of Internal Medicine
1993 - 1997	Research Committee Supervisor, Division of General Internal Medicine
1994 - 1995	Center for Health Effectiveness Planning Committee, Wayne State University
1994 - 1995	Chairperson, MCF Comprehensive Cancer Center, Cancer Control and

	Prevention, Subcommittee on Office Practice
1994 - 1998	Chairperson, Primary Care Evaluation Committee
1994 - 1998	Chairperson, Primary Care Resident Recruitment Committee
1994 - 2000	Primary Care Curricular Planning Committee, Wayne State University
1995 - 1996	Community Outreach Task Force Committee, Karmanos Cancer Institute
1995 - Present	Project Directors Group, State Initiative, Karmanos Cancer Institute
1996 - 1997	Graduate Medical Education Task Force
1996 - 1997	Internal Review Committee - General Internal Medicine
1996 - 1997	Chair, Grant Review Section - Center for Health Effectiveness Research
1996 - Present	Course Director - Evidence Based Medicine (Years I, II and III)
1996 - 1998	Chair, GME Primary Care Initiative (WSU/DMC)
1996 - Present	Year I and II Course Directors Committee
1997 - 1999	Search Committee, Chief General Internal Medicine, Department of Internal Medicine
2001 - Present	Clinical Medicine Integrated Course Planning Committee, Wayne State University
2001 - Present	Observed Structured Clinical Examination (OSCE) Faculty, Wayne State University
2001 - 2003	Graduate Medical Education Core Curriculum Committee, Wayne State University
2004 – 2005	Family Medicine Department Review Committee
2005 – Present	Director, Faculty Development and Research, Division of General Internal Medicine, Department of Medicine
<u>Consultation</u>	
1983 - 1985	Consultant, Preventive Health Care in General Internal Medicine Residency Training, Society for Research and Education in Primary Care Internal Medicine and HRSA, DHHS
1984 - 1985	Consultant, Interrelationships Between General Internal Medicine and Preventive/Community Medicine, SREPCIM and ODPHP, DHHS
1989 - 1990	Consultant, Health and Fitness Division, Electronic Data Systems Corporation
1996 – 2003	Member, Board of Trustees Committee, Quality Management and Quality Improvement, The Wellness Plan, Comprehensive Health Services, Inc., Detroit, MI

Robert C. Burack, M.D., M.P.H.

STATE BOARDS AND COMMITTEES

1979 - 1984

University of Michigan Graduate Sequence in Primary Care Community Nursing,
Ann Arbor, MI

1988 - 1993

Cardiovascular Subcommittee, State of Michigan Chronic Diseases Advisory
Committee

1988 - 1991

Cholesterol Screening Committee, State of Michigan Chronic Diseases Advisory
Committee

1989 - 1992

Co-Chair, Cardiovascular Disease Steering Committee, State of Michigan
Chronic Diseases Advisory Committee

1990 - 1991

Board of Trustees, American Heart Association of Michigan

1998 – 1999

Chair, Tobacco and Healthcare Committee, Michigan Cancer Consortium

1998 – 2000

Tobacco Action Planning Group, Michigan Cancer Consortium

1998 - 2000

State of Michigan Cancer Consortium-Chairperson, Healthcare and Tobacco
Subcommittee.

1999 – Present

State of Michigan Cancer Consortium – Breast Cancer Risk Sub-committee

Robert C. Burack, M.D., M.P.H.

Curriculum Vitae

1999 – 2003 Michigan Department of Community Health, Cancer Control Initiative

2000 – 2002 Tobacco Planning Group, Michigan Association of Health Plans

2001 - Present Michigan Cancer Consortium, Breast Cancer Control Task Group

2003 - Present Breast Cancer Advisory Committee - Michigan Department of Community Health

2004 – Present Michigan Department of Community Health – Co-chair, Primary Care Initiative (Reimbursement Reform Committee)

PATIENT CARE

1979 - Present General Internal Medicine Ambulatory Service - (12 months per year)

1979 – 1999 General Internal Medicine Inpatient Service - Detroit Medical Center Hospitals (various)

TEACHING

WAYNE STATE UNIVERSITY

Clinical Instruction

1979 - Present Ambulatory practice supervision (10% - 30%)

1979 - 1999 Inpatient teaching rounds (1-4 months per year, 1979-1999)

Courses and Lectures - School of Medicine

1979 - 2002 Primary Care Curriculum Grand Rounds Conference (4-12 per year)

1980 – 2002 Resident Video Review Conference (12 per year)

1982 – 2002 Introduction to Ambulatory Medicine (1 month rotation)

1982 - 2004 Clinical Epidemiology Ambulatory Care Block Rotation (monthly seminar, 6-12 months per year)

1983 - 2005 Clinical Interviewing Seminar (6-12 sessions per year)

1984 - 2004 Physical Diagnosis - Ophthalmology (lecture)

1984 - 2001 Primary Care Pre-clinic Conference (weekly)

1988 - 1992 Clinical Epidemiology - Therapeutic Efficacy (lecture)

1988 - 1992 Clinical Epidemiology - Risk Factor Assessment (lecture)

1988 - 2003 Ambulatory Care Grand Rounds (1-2 lectures per year)

1992 - 1996 Clinical Epidemiology - Clinical Trials (lecture)

1992 - 1994 Clinical Epidemiology - Clinical Testing (lecture)

1993 - Present	Cancer Biology 725 - Preventive Oncology (seminar, biennial)
1993 - 2000	Department of Medicine Resident Research Conference - Diagnostic Testing
1995 - 1996	Biostatistics and Epidemiology - Introduction (lecture)
1996 - Present	Course Director - Evidence Based Medicine Years I, II and III
1996 – 2001	Evidence Based Medicine (Year I and Year II) <ul style="list-style-type: none">▪ Introduction to Evidence Based Medicine▪ Measurement of health status▪ Diagnostic testing▪ Critical appraisal of the medical literature▪ Using information about prevention▪ Using information about treatment
1997 – 2000	Preventive Medicine and Public Health, Primary prevention and medical practice
1998 - 2001	Evidence Based Medicine - Department of Internal Medicine (2 lectures per year)
1998 – 2001	Department of Internal Medicine – Evidence Based Medicine Fellows conference, (yearly)
2002 - Present	Clinical Medicine (Evidence Based Medicine) (Year I and Year II) <ul style="list-style-type: none">▪ Introduction to evidence based medicine▪ Measurement of health status▪ Clinical Statistics▪ Diagnostic testing▪ Critical appraisal of the medical literature▪ Using information about prevention▪ Using information about treatment
2004 - Present	Clinical Medicine (Evidence Based Medicine) (Year III) <ul style="list-style-type: none">▪ Year III orientation to evidence-based practice and clerkships▪ Year III re-orientation evidence about diagnosis▪ Year III re-orientation to evidence about treatment

GRANT SUPPORT

1980 - 1983	HRSA-USPHS - "Residency Training in General Internal Medicine (Primary Care) - Co-Director (\$667,998).
1981 - 1983	NCI Contract N01-CN-95474-05) - "Oncology Prevention Course, Risk Assessment Module", Participant (\$6,594).
1983 - 1986	HRSA-USPHS - "Regional Geriatric Education Center" University of Michigan Institute of Gerontology), Participant (406,050).
1983 - 1984	Harper Hospital Medical Trust Fund - "Patient Nonacceptance of Robert C. Preventive Services", Principal Investigator (\$13,071).
1984 - 1987	HRSA-USPHS - "Residency Training in General Internal Medicine" - Principal Investigator, (\$573,480).
1984 - 1985	Harper Hospital Medical Trust Fund - "Barriers to the Early Detection of Cancer Among the Elderly" - Principal Investigator (\$14,744).
1985 - 1986	AARP Andrus Foundation - "The Early Detection of Cancer Among Older Women in the Primary Care Setting" - Principal Investigator (\$40,000)
1985 - 1986	Institute of Gerontology, University of Michigan - "Grants for Geriatric Education Centers (USPHS) - Principal Investigator.
1986 - 1991	NIH National Cancer Institute (Michigan Cancer Foundation) "Avoidable Mortality from Cancer in Black Populations - Co-Investigator.
1987 - 1990	HRSA-USPHS - "Residency Training in General Internal Medicine and General Pediatrics" - Principal Investigator (\$570,000)
1988 - 1991	Michigan Health Care Education and Research Foundation - "The Under-utilization of Screening Mammography by Elderly Women" - Co-Principal Investigator (\$150,000)
1989 - 1990	Fund For Research and Medical Education, Harper Hospital- "Influenza Vaccination Behavior in an Inner City Population" - Co-Investigator (\$3,150)
1990 - 1993	HRSA-USPHS - "Residency Training in General Internal Medicine and General Pediatrics" - Principal Investigator (\$900,000)
1991 - 1995	NIH - National Cancer Institute - "The Detroit Cancer Control Intervention Project (1R01 CA54578-1) - Principal Investigator(\$1,177,158)
1993 - 1996	HRSA-USPHS - "Residency Training in General Internal Medicine and General Pediatrics" - Principal Investigator (\$980,670)
1995 - 1996	State of Michigan, Cancer Prevention and Control, "Breast Screening Adherence", Co-Investigator (\$215,492)
1995 – 1999	State of Michigan, Cancer Prevention and Control, "Prostate Screening and Education"- Principal Investigator (\$598,461)
1996 - 1998	Blue Cross Blue Shield Foundation, "Pathways to mammography follow up" - Principal Investigator (\$75,000)

1997 – 2000	State of Michigan - Cancer Prevention and Control Project: Primary Care and Cancer Control, Principal Investigator (\$198,018)
1998 – 1999	Pew Foundation - Partnerships in Quality Education - Managed Care Curriculum in Internal Medicine Residency Programs, Principal Investigator (\$10,000)
1998 – 2000	Center for Health Effectiveness Research, Wayne State University Primary Care Research Network: Smokers' Registry, Principal Investigator (\$40,000)
1998 – 2000	State of Michigan, Cancer Prevention and Control Project: Promoting Risk Awareness (\$99,203)
1999 - 2000	Robert Wood Johnson Foundation, Partnerships to Promote Smoking Cessation within a Managed Care Organization, (\$50,000)
2000 – 2001	State of Michigan – Cancer Prevention and Control Project Promoting Breast Cancer Risk Awareness, Risk Reduction and Early Detection, Principal Investigator (\$367,545)
2000 – 2001	State of Michigan Cancer Prevention and Control Project – A Community Partnership to Promote Breast and Cervical Cancer Control, Principal Investigator (\$292,195)
2000 - 2001	State of Michigan Department of Community Health - Breast and Cervical Cancer Control Program, Principal Investigator (\$600,000)
2001 - 2002	State of Michigan Department of Community Health - Breast and Cervical Cancer Control Program, Principal Investigator (\$645,000)
2001 - 2002	Smoking and Illness Program, Wayne State University, Promoting Smoking Cessation in an IPA, Principal Investigator - (\$20,000)
2001 – 2002	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Promoting participation in the Breast and Cervical Cancer Control Program" – Principal Investigator (\$53,654)
2001 – 2002	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Informed decision-making about breast cancer risk reduction" – Principal Investigator (\$49,261)
2001 – 2002	State of Michigan Cancer Prevention and Control Project "A Community Partnership to Promote Breast and Cervical Cancer Control", Principal Investigator (\$176,587)
2001 - 2003	Michigan Public Health Institute - "Promoting cancer control in primary care" – Principal Investigator (\$125,000)
2001 - 2003	State of Michigan – Cancer Prevention and Control Project "Promoting Breast Cancer Risk Awareness", Risk Reduction and Early Detection, Principal Investigator (348,404)
2002 - 2003	State of Michigan - Cancer prevention and Control Project "Promoting Breast Cancer Risk Management in Primary Care", Principal Investigator (34,032)

2002 - 2003	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Assessing Breast Cancer Risk Among Women Served by the Wayne County BCCCP" - Principal Investigator (\$39,024)
2002 - 2003	State of Michigan, Michigan Department of Community Health "Wayne County Breast and Cervical Cancer Control Program", Principal Investigator (\$959,311)
2003 - 2004	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Mammography funding for women 40 to 49 years of age" - Principal Investigator (\$109,403)
2003 - 2004	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Promoting re-enrollment in the Wayne County BCCCP" - Principal Investigator (\$52,284)
2003 - 2004	State of Michigan, Michigan Department of Community Health "Wayne County Breast and Cervical Cancer Control Program", Principal Investigator (\$950,000)
2003 – 2004	The Metro Health Foundation, “Funding for mammography among women 40 to 49 years of age” Principal Investigator (\$7,700)
2003 – 2004	National Cancer Institute “Travel distance as a determinant of mammography use: A Vermont statewide assessment (co-investigator, RO3 - Anupam Goel, PI)
2004 – 2007	American Cancer Society “Mentor, Primary Care Cancer Control Career Development Award” (Mentor for Dr. Anupam Goel)
2004 - 2005	State of Michigan, Michigan Department of Community Health "Wayne County Breast and Cervical Cancer Control Program", Principal Investigator (\$1,114,372)
2004 – 2005	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "An integrated program to improve the efficiency and effectiveness of the Wayne County BCCCP" - Principal Investigator (\$257,975)
2004 - 2005	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Recruit and retain participants in the BCCCP" – Co-investigator (\$55,755)
2005 – 2006	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) " Provider Interventions for Improving BCCCP Screening and Follow -Up Efforts” – Co-investigator (\$66,323)
2005 – 2006	Michigan State University “Kin Keeper Survey Project” Principal Investigator, contract (\$38,826)
10/1/05-9/30/06	State of Michigan, Michigan Department of Community Health, "Wayne County Breast and Cervical Cancer Control Program", Principal Investigator (\$1,014,372)
5/1/05 – 4/30/07	Susan G. Komen Breast Cancer Foundation (National) “Utilizing Appointment Facilitation and Reminder System to Increase Screening Among Enrollees of the Wayne County BCCCP” – Principal Investigator (\$250,000)

10/1/06-9/30/07	State of Michigan, Michigan Department of Community Health, "Wayne County Breast and Cervical Cancer Control Program", Principal Investigator (\$985,775)
10/1/05-9/30/07	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate) "Filling the Gap: Reducing Financial Barriers to Follow Up and Treatment for Wayne County BCCCP Women" Principal Investigator (\$290,345)
10/01/06-9/30/07	Susan G. Komen Breast Cancer Foundation (Detroit Affiliate), "Patient Navigation to Enhance Follow Up Among BCCCP Enrollees" Principal Investigator (\$30,375)
11/1/06-10/31/07	Eli Lilly and Company, "Primary Care Based Breast Cancer Risk Assessment and Management, Principal Investigator (\$107,156)

PRESENTATIONS

Invited National Meetings

1. Gimotty P, R Burack: Evaluation of longitudinal rates: The impact of a breast cancer control intervention strategy in a controlled trial. American Statistical Association, August 1991.
2. Burack R: Practicing Prevention. American College of Physicians. Washington, D.C., March 1993.

Refereed National Meetings

1. Burack R: The elderly as reluctant participants in personal programs of early cancer detection. Gerontological Society of America, November 1983.
2. Burack R: Barriers to cancer detection in the elderly. Gerontological Society of America, November 1984.
3. Burack R and J Liang: The acceptance and completion of recommended early cancer detection procedures in the primary care setting. Society for Research and Education in Primary Care Internal Medicine, May 1985.
4. Burack R, Liang J, Antonucci T, Vinokur A, Satariano W: Cancer and the Elderly. Gerontological Society of America, November 1985.
5. Burack R, Liang J: The relationship of patient and provider factors to utilization of cancer detection procedures. Society for Research and Education in Primary Care Internal Medicine, May 1986.
6. Burack R and J Liang: The acceptance of mammography by older women in the primary care setting. Gerontological Society of America, November 1986.
7. Burack R and J Liang: The acceptance of mammography and Pap smear by older Black women. Society for Research and Education in Primary Care Internal Medicine, May 1987.
8. Burack R: Methodological sources of variability in the assessment of compliance, Society of General Internal Medicine, April, 1988.
9. Burack R, G Kulesza, R Hoppe: Promoting prevention in primary care: Communication skills to help patients help themselves. Society of General Internal Medicine, April 1989.

10. Persky N, R Burack, J Liang: The physician's impact on patient compliance with fecal occult blood testing. American Geriatrics Society, May 1989.
11. Gimotty P, R Burack: Issues in the design and evaluation of a controlled intervention trial to improve the utilization of mammography. Society of Clinical Trials, Toronto, May 1990.
12. R Burack, P Gimotty, W Stengle, D Eckert, A Moncrease, L Warbasse: A controlled trial to increase use of mammography in an inner city setting. Society of General Internal Medicine, May 1990.
13. Burack R, P Gimotty, W Stengle, L Warbasse, A Moncrease, D Eckert: Patterns of use of mammography among inner city women served by contrasting sources of health care. Society of General Internal Medicine, May 1990.
14. Isaacson JH, R Robertson, R Burack: Determinants of influenza vaccination behavior in an inner city population: The limited impact of a patient prompting system. Society of General Internal Medicine, May 1990.
15. R Butler, R Burack, R Frankel, H Beckman: The challenging case conference. Society of General Internal Medicine, May 1990.
16. Gimotty P, R Burack: The design and evaluation of a controlled trial to improve the utilization of mammography. American Public Health Association, November 1990.
17. Gimotty P, R Burack, W Stengle: Evaluation of longitudinal rates: The impact of a breast cancer control intervention strategy in a controlled trial. Symposium on statistical methods for evaluation of intervention and prevention strategies (CDC) Atlanta, December 1990.
18. Burack R, P Gimotty, W Stengle, D Eckert, A Moncrease, L Warbasse: A Randomized Controlled Trial of Computerized Prompting to Increase the Use of Mammography in Inner City Settings: First Year Results from Two Health Department Clinics and an HMO. AHCPR Second Annual Primary Care Research Conference: Theory and Methods. San Diego, CA, January 15, 1991.
19. Stengle W, Burack RC, Gimotty PA, Warbasse L, and Moncrease A: Breast cancer control for inner-city women: a randomized controlled trials of information management in five primary care clinics. National Medical Association, 1991.
20. Isaacson J, R Burack, R Robertson, M Speece: The effect of clinic prompts and mailed reminders on influenza vaccination rates in an inner-city population. Society of General Internal Medicine, May 1991.
21. Burack R, P Gimotty, W Stengle, L Warbasse, A Moncrease: An intervention trial to improve breast cancer control in differing inner-city health care settings. Society of General Internal Medicine, May 1991.
